

*Invitation to Exhibit at CMSE EUR 2010*

# Components for Military and Space Electronics Conference & Exhibition

**22 - 24 June 2010**

**Marriott Hotel, Portsmouth, UK**

**The Premier Conference on the Engineering, Design, and Use of  
Electronic Components in Military & Space Systems**

## **The Future Direction of Military & Space Electronics**

This Conference provides a major opportunity for direct marketing, advertising and technical interchange with decision makers:

- Design Engineers
- Engineering Managers
- Project Managers
- Quality Assurance Personnel

This is the Premier Forum on Military and Space Electronics that provides the opportunity to discuss:

- Designing with COTS
- Counterfeit Components
- Ruggedizing
- PEMS and Commercial Components
- COTS Lessons Learned

## **What market does the show target?**

This Conference & Exhibition delivers technical and business information about Suppliers of COTS, military and space electronics hardware, software and design issues for deploying commercial technology in land, sea, air and space applications. This Conference is an indispensable vehicle for understanding today's evolving standards, technologies and industry practices driving commercial solutions for demanding military, rugged, and space environments. The Event will help the visitor, delegate, and the industry decision-maker in developing their strategies and implementation plans. The goal of the Conference is to educate, inform and provide solutions to the attendees. Some of the topics are:

- Military Designs
- Ruggedized Packaging
- Extended Temperature Chips, Boards, & Systems
- Reliability Assessment
- Testing, Upscreening & Upgrading
- Digital Signal Processing, FPGAs, etc.
- New Technology
- End-Of-Life Issues / Obsolescence

## **The delegates and visitors**

The event is targeted to a variety of high-level professionals working as:

- Design Engineers
- Manufacturing Engineers
- Engineering Managers
- System Integrators
- Consultants
- Government Managers
- MOD Procurement
- Program Managers
- Project Leaders

**In cooperation with:  
COG - Component Obsolescence Group**

**Organized by:  
Cognition AM Ltd  
Components Technology Institute Inc.**

# Exhibitor Registration Form

Marriott Hotel, Portsmouth, UK

**Exhibition Hours:**  
**23 June 08.00 - 19:00**  
**24 June 08.00 - 15.30**
